

EDUCATION

SZABIST, Karachi

Bachelor of Science in Computer Science | Aug 2022 – Present

TECHNICAL SKILLS

Languages: Python, Java, JavaScript, C++, SQL

AI/ML: scikit-learn, TensorFlow, Keras, Pandas, NumPy

Data Tools: Power BI, Excel, Jupyter Notebook, Google Colab

Testing Tools: Selenium, Postman, JMeter, Locust, PyTest, TestNG, JUnit

Testing Process: Manual Testing, Automation Testing, Regression Testing, API Testing, Load Testing, Test Planning, Defect Tracking, SDLC, STLC, Agile/Scrum

Frameworks & CI/CD: Jenkins, GitHub Actions, TestNG, PyTest, JUnit

Databases: MySQL, PostgreSQL

Other Tools: GitHub, Wireshark

Soft Skills: Communication, Analytical Thinking, Team Collaboration, Problem Solving, Adaptability

PROFESSIONAL EXPERIENCE

Media Consultant & Full Stack Web Developer — West Wide Travel & Tours (Mar 2026 – Present)

- Designed, developed, and maintained the company's website and digital platforms using modern web technologies.
- Managed website architecture, backend systems, databases, and server integrations to ensure performance, security, and scalability.
- Implemented responsive UI/UX improvements and optimized website functionality for enhanced user experience.
- Provided media consultancy for digital branding, marketing campaigns, and online engagement strategies.
- Developed automation solutions and technical enhancements to support the company's digital growth initiatives.
- Collaborated with stakeholders to troubleshoot issues, deploy updates, and maintain digital infrastructure.

IT Intern — National Bank of Pakistan (Head Office) (Jul 2025 – Sep 2025)

- Planned and executed functional, regression, and UI test cases for core banking modules using Selenium and manual testing in an Agile environment.
- Collaborated with cross-functional teams to ensure quality in accordance with SDLC/STLC processes.
- Developed and tested small functional modules using ASP.NET Core MVC and Blazor.
- Implemented SQL Server and Entity Framework Core for backend connectivity, improving data validation speed.
- Assisted in testing UI components, defect tracking, and documentation of technical processes.

Data Analyst Intern — Pakistan Hindu Council (Sep 2024 – Nov 2024)

- Cleaned, analyzed, and visualized large datasets using Excel and Power BI.
- Designed performance dashboards to support QA reporting and decision-making.
- Improved internal reporting workflows and increased data accuracy by 15%.

PROJECTS

Final Year Project – LearnSphere: AI Tutor Hub (2025–2026)

- Developed an AI-powered learning assistant using RAG architecture for personalized student support.
 - Built a responsive web application with React.js, FastAPI, MongoDB, and Vector Database.
 - Implemented AI Q&A Tutor, Past Paper Solver, Practice Generator, and Topic Search features.
 - Designed student/faculty dashboards for performance tracking and content management.
- Technologies:** React.js, FastAPI, Python, MongoDB, VectorDB, LangChain, OpenAI APIs, REST APIs, GitHub

Book Recommendation System (AI/ML)

- Developed an intelligent recommendation engine using SVD, Content-Based Filtering, Neural Collaborative Filtering, and GNN.
- Preprocessed large datasets and implemented collaborative filtering techniques to improve recommendation accuracy.
- Evaluated and optimized models using RMSE and BPR Loss metrics to ensure high performance and reliability.

E-commerce Testing Automation (SQA)

- Designed and automated functional and regression test cases for critical e-commerce flows including cart, checkout, and search.
- Integrated Selenium with TestNG to enable structured test execution and reporting.
- Validated backend API performance using Postman and verified database operations through PostgreSQL queries.

LEADERSHIP & VOLUNTEERING EXPERIENCE

Global Shapers Community (WEF) – Member

(2024–Present)

AIESEC South – Member

(2023–2024)

TechConnect Workshop, SZABIST – Organizer

(Oct 2023)

ACM Society, SZABIST – General Secretary

(2022–2023)

TEDx – Core Team Member

(2024–present)

Maheshwari Action Forum (Team MAF) – Core Team

(2022–Present)
